

FORZA

FOR CHARTER

Experience true innovation with the 65 Sport Yacht, a project unlike any other in the mid-range market. Sunseeker's expert team has crafted an exceptional vessel, featuring dynamic carbon fiber integration and cutting-edge IPS drives for enhanced performance and increased interior volume.

The integrated SkyHelm offers a revolutionary helming experience discreetly embedded in an almost invisible flybridge profile.

Boasting 2,000hp for an exhilarating ride, the yacht's extensive use of carbon fiber ensures a lightweight construction, while stainless steel accents and rich tinted hull glazing create a striking, one-of-a-kind masterpiece. Get ready for an extraordinary journey on the water.
