

KORA

FOR CHARTER

Introducing Kora, an 80ft Super Flybridge yacht from the innovative Princess X80 series, designed to set a new standard in luxury and space.

With five ensuite cabins, she accommodates up to 10 guests, and her super flybridge provides over 30% more interior space than a traditional yacht of this size.

Expansive glazing along the main deck bathes the saloon, galley, and dining area in natural light, creating a seamless connection with the ocean. Her versatile fore and aft decks, along with a private secondary lounge on the flybridge, offer multiple areas for sunbathing, shaded dining, or simply enjoying panoramic views.

Perfect for extended voyages, Kora is a top-tier charter yacht with accommodations for a crew of three to ensure a first-class experience.
