

SILVER BREEZE

FOR CHARTER

The 87.93ft /26.8m 86 Domino open 'Silver Breeze' was built in 2010 by Riva. Officina Italiana Design (Mauro Micheli) is responsible for her beautiful exterior and interior design, and it's not hard to see why she's so popular.

Silver Breeze's spacious interior layout sleeps up to 8 guests in 4 rooms, including a master suite, 1 double cabin and 2 twin cabins. She carries 3 crew members onboard to ensure a relaxed luxury yacht experience.

Timeless styling, beautiful furnishings and sumptuous seating feature throughout to create an elegant and comfortable atmosphere.

Silver Breeze's impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends.

She is built with a GRP hull and GRP superstructure. With a cruising speed of 30 knots, a maximum speed of 38 knots and a range of 230nm from 7,500litre fuel tanks, she is a great combination of high-performance and style.

Air conditioning keeps conditions comfortable throughout the cabins, so you'll stay cool even on those hot, humid days or nights.

Fun and recreation is never far away, and you'll find an extensive water toys selection onboard, including a 2024 Seabob F5S, a Williams 385 Tender, a luxury pool platform, Wake board equipment, two inflatable paddles board and snorkeling equipment.

M/Y SILVER BREEZE

An aerial photograph of a sleek, dark-colored speedboat moving across a deep blue ocean. The boat is angled towards the bottom right, leaving a wide, white, foamy wake that curves behind it. The water's surface is textured with small waves and ripples. The overall scene conveys a sense of speed and luxury.
