BRABUS SHADOW 500 FOR SALE

M/Y Nael, a 2023 BRABUS Shadow 500 T-Top, is the ultimate blend of bold design, exceptional performance, and luxury. Powered by twin Mercury ProXS 250 engines, she reaches exhilarating speeds of over 50 knots while offering a smooth and comfortable ride for day-long adventures. Her cutting-edge features include the Simrad Glass Bridge system, carbon-fiber detailing, and a versatile layout perfect for island-hopping or entertaining guests. With her striking looks and unparalleled engineering, M/Y Nael delivers a thrilling yet refined experience on the water. Delivered in 2023, she is still under warranty and is available to view in Port Grimaud, France.
