

MAJESTY 62 Maldives

Building on the success of her predecessor, the Majesty 62, Gulf Craft introduces a new member of the Majesty brand, the Majesty 62 M. The Majesty 62 M is designed with the Maldivian market in mind, arriving on the scene as a Tropical Weekender: a compact yet spacious luxury yacht.

Designed for the lovers of open boating, it features two guest cabins including the owner's cabin, an extended enclosed hardtop flybridge, enlarged windows plus openable elliptical portholes for more natural light and marvelous views of the surroundings. The main deck features large L-shaped sofas with center tables making it a quintessential space to host larger families and groups of friends. Spacious sun deck areas allow guests to stay longer onboard & soak up the sun in relaxing surroundings. A massive lounging and dining area in the lower deck with storage for luggage makes her suitable for tourist destinations.

Unlike its sibling, it's more of a luxurious dayboat concept that focuses on spending a family weekend or enjoying a terrific day cruising on the water.
