TECHNOMAR FOR LAMBORGHINI 63 FOR SALE

Introducing the Motor Yacht Lamborghini, the epitome of luxury and speed on the open seas. Delivered in 2022, this vessel is a true masterpiece of design and engineering, combining the prestige of the Lamborghini brand with the elegance of a private yacht.

The two engines, MAN V 12 - 2000HP allow the yacht to reach the impressive speed of 60 knots, while the use of carbon fiber guarantees the classification in the range of ultralight boats with a maximum weight of 24 tons for 63 feet in length.

While speed and design are at the forefront, comfort is never compromised. Indulge your in the luxurious ambiance of Italian design. Every inch of the Lamborghini Yacht reflects the attention to detail that Lamborghini is renowned for. From the sleek lines to the premium materials, it's a masterpiece of artistry on the water.

Inspired by the performance of Lamborghini supersport cars, there are two innovative elements at the basis of her design concept: speed and dynamic weight.
