HARLE is a sexy, sleek yacht, perfect for enjoying summers in the Mediterranean and winters in the Caribbean. She is the product of years of professional experience and knowledge. Motor yacht HARLE feels much larger because of the efficiency of space and an innovative layout.

HARLE accommodates up to 12 guests in six exquisite staterooms. She offers an impeccably master stateroom, two double staterooms and two twin staterooms. Additionally, she

has two Pullman beds. Guests will love the master and guest staterooms on the main deck of HARLE. The interior is timelessly styled with elegant furnishings, creating beautiful, comfortable spaces for guests to enjoy.

The bridge deck lounge of motor yacht HARLE is home to large panoramic windows that slide open and aft doors that fold away to create a convertible alfresco area. The lazarette on the lower deck is a multipurpose activity center that can be converted into a fitness studio or recreational area when all the water toys are out at sea. The massive swim platform serves as an extra deck near the water level, and a place for the crew to setup a private beach club when you charter HARLE yacht.

*Not available or offered for charter to U.S. citizens or residents while in US waters.
