

NOMAD 101

## OUR STORY

N101 is an epitome of the new-gen yachts focused primarily on enjoying the journey to pristine destinations. Her extraordinary volumes and vast deck expanses guarantee a fun-filled, relaxed, and comfortable cruising experience.

Nomad Yachts' meticulously developed semi-displacement hulls boast excellent seakeeping and ease of navigation under difficult sea conditions. While the N101's fine bow cuts through the chop as she ploughs through at a max speed of 19Knots; The sweet spot for this SUV of the sea lies at an economical speed of 10 Knots, wherein fuel consumption is optimum and the range can be a brilliant 1000NM. Furthermore, her CFD-studied hull design minimises roll, maximises stability, and delivers an effortless hull for relaxed cruising.

## ENVIRONMENTALLY RESPONSIBLE YACHTING

Efficiency and the desire to be as environmentally friendly as possible were key drivers for the technological and architectural development of N101. Reduced hull penetrations and minimal hull windows facilitate advanced cabin comfort while her semi-displacement hull form ensures reduced fuel consumption. Liberal use of high-end materials carefully sourced for their natural or recycled significance further amplify the yacht's ecologically astute design.

## FAMILY ESCAPADES

Enjoy breath-taking views from the upper deck forward lounge or bask on the flybridge sun loungers, experience delectable meals under the fully shaded aft cockpit or lay back for a family movie night at the main salon; N101 has environments to create treasured memories for a lifetime. Be it charter or ownership, the pristine Amalfi coast or the island of Capri; N101 can handle all your yachting needs without any problems at all!

A flared bow, private deck forward of owner stateroom, reversed wheelhouse windows, 270 degree panoramic views for the owner cabin and sky lounge, flybridge protected from sun and rain, and full walk around decks are just a some of the features which make the N101 the perfect summer getaway.

## CHARTER ESSENTIALS

Spacious shaded social exterior spaces, sunbathing areas, dining spaces, panoramic views from all the decks allow ample sunlight to cascade into the interior and, the five-cabin layout with two crew cabins and a captain's cabin plus a rest area on a fly-bridge takes the yacht's accommodation to 15 guests in optimum comfort. The crew area in specific, which is a massive 35 sqm space holds a secondary galley, a mess area, dedicated laundry, and a captain's cabin – all under the MLC compliance and charter regulations. On the decks, the floor plan additions such as the Portuguese walk-around deck on the upper deck, crew-entrance, and circulation space on the main deck give her a more charter-friendly appeal.

## CRUISING IN STYLE

Beautiful hand-crafted furniture, natural materials, and vast glazing expanses are just a few of the grand luxuries onboard the N101. Her environmental appeal magnifies her luxurious design while the grand spaces on offer complement perfectly her superior hull performance.

## COASTAL TERRACE

Perched high above the Waterline, 30sqm of pure entertainment zone is nestled well under a gigantic hardtop. Dining for upto 8 members, a secondary helm station, and open deck space for sun loungers or bean bags, and a fully serviced bar with fridge/freezer/grill/storage, inevitably brand this space as the best social zone on the vessel.

## UPPER DECK

The full-walkaround upper deck features 35 sqm of exterior and 16 sqm of interior lounge space which creates a seamless transition between indoors and outdoors. Forward of the upper deck lounge is the wheelhouse with access to the side deck and a dedicated office/rest area overlooking the seascapes through an angled windscreen for easy navigation and a commanding view for the captain. A Portuguese bridge in the sides connects the 15 sqm forward sundeck – a perfect relaxation space with unhindered views.

## MAIN DECK

Boarding the Nomad 101 one is intrinsically drawn to her recreational aft equipped with a tender launching platform and a generous sheltered toy storage that can easily hold two 3-seater jet skis and a Williams 325 tender. Moving forward to the main deck, one is immediately impressed by the beautiful 30 sqm of shaded aft cockpit – a beautiful entrance to the vessel. Further forward lies 35sqm of salon and dining, accessed effortlessly through the full height patio doors, converting the entire main deck into a limitless entertainment space.

# MAIN SALON

Multiple social zones, earthy materials, muted tones, and generously lit spaces are a characteristic feature of the Nomad 101

## OWNER'S PARADISE

The stunning 270 degree panoramic windows of the 28sqm owner's cabin offer breath-taking views and tons of natural light. The 25 sqm private foredeck is conveniently protected with high bulwarks and a flared bow from water ingress.

## SUSTAINABLE MATERIALS

N101 is a proud example in extensive study and usage of ecologically friendly materials. Almost all materials used onboard have a distinct ecological significance and help the environment in a certain way. The materials' wonderful look and feel is complemented perfectly with their sustainable background.

### SERENE

**PINATEX**  
natural textile made from  
pinnacle leaf fibre that

**TIERRAFINO**  
stucco bespoke effect

**EKO**  
wood veneer from hemp  
fibres

**HEMP SHELL**  
pure hemp fibre free  
from organic solvents  
and toxins

**REVYVA**  
pure recycled PET fibres  
from recycled plastic  
bottles

**SUSTONABLE**  
sustainable ultra light  
weight made from plastic  
bottles

**KINTYRE**  
Linen and wool blend

**TORCETEX**  
Natural straw weave  
(from cotton seed hull)  
substracts

**RECLAIMED WOOD**  
dark grey oak  
sandblasted antique  
varnished

**PAPAGAYO**  
structured gradient of  
tencel yarn

**ECOS PAINT**

**ECOS PAINT**

## ETHEREAL ENVIRONMENT
