

SQUIZ II

FOR SALE

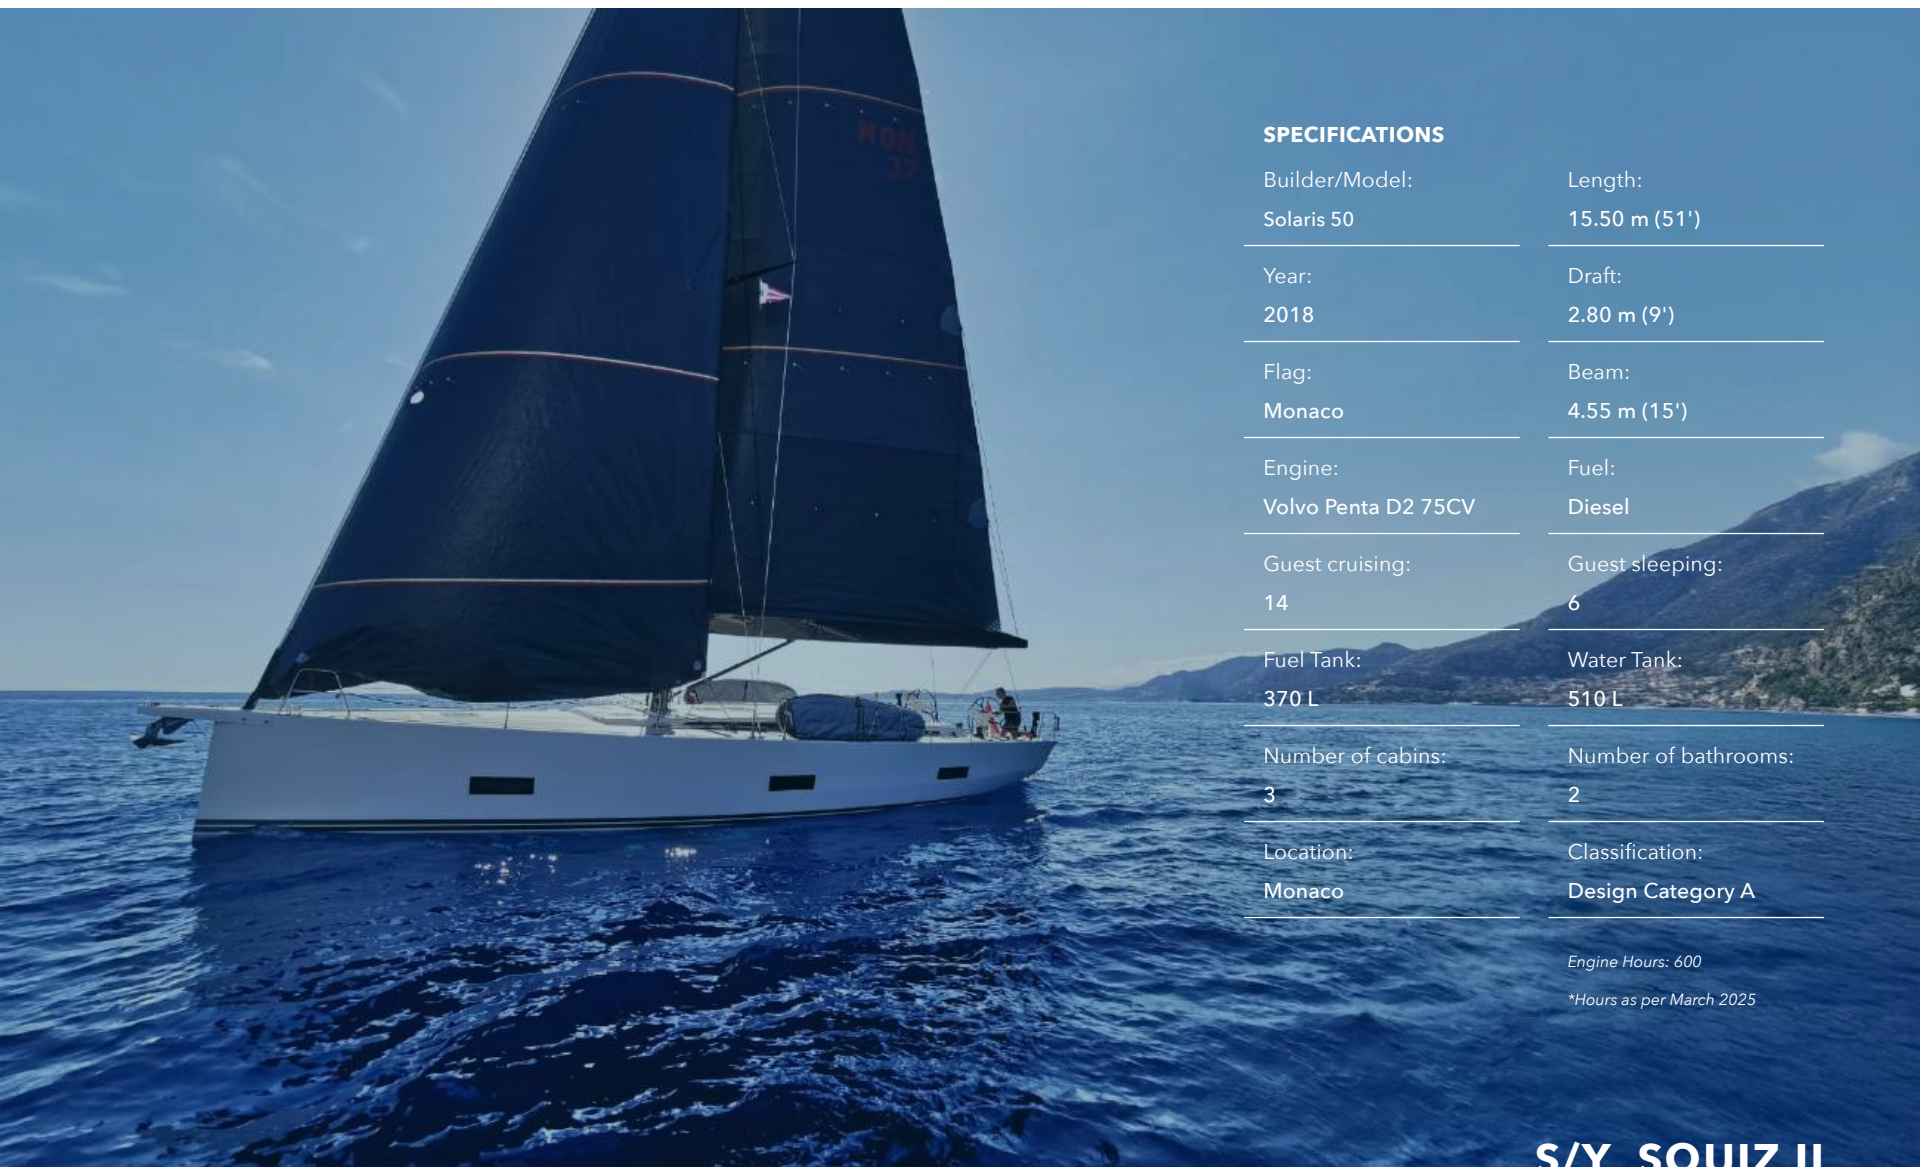

M/Y Squiz II, a Solaris 50, is the perfect balance between performance, elegance, and comfort. Designed for sailors who appreciate both speed and luxury, this 15.50m sailing yacht features a sleek, high-quality composite hull and a Hall Spars carbon rig, including a carbon mast, rudder wheels, and boom—ensuring a responsive and exhilarating sailing experience. Whether racing or cruising, she offers impressive stability and efficiency, even in demanding conditions.

The interior is thoughtfully designed to maximize both functionality and aesthetics. A modern, open layout creates a bright and welcoming atmosphere, complemented by meticulous finishes and premium materials. Every detail has been carefully considered to enhance onboard comfort, making her ideal for extended journeys or weekend escapes.

Meticulously maintained, Squiz II boasts only 600 engine hours and has been regularly upgraded with recent equipment, ensuring she is in exceptional condition and fully ready for her next adventure. For those seeking a high-performance yacht that delivers both speed and luxury, this Solaris 50 is a rare opportunity not to be missed.

A white sailing yacht with black sails is shown on a body of water. The yacht has a tall mast and two large sails. The background consists of rocky, brownish hills under a clear blue sky. The text 'MON 37' is visible on the main sail.

S/Y SQUIZ II
