

VELES

FOR CHARTER

M/Y Veles, a Pershing 70', is a sleek and powerful motor yacht designed for those who appreciate both high-speed cruising and comfort. This yacht delivers an adrenaline-filled experience while maintaining a comfortable onboard experience. With futuristic lines, sleek contours, and a dynamic profile, M/Y Veles commands attention wherever she goes, whether speeding across open waters or anchored in a scenic bay.

M/Y Veles reaches a thrilling 48 knots, making her one of the fastest yachts in her class. Yet, despite her impressive speed, she remains remarkably smooth and stable, thanks to her Seakeeper gyro stabilizer, ensuring a comfortable ride for all onboard. Whether you seek the exhilaration of high-speed cruising or the tranquility of a Mediterranean escape, this yacht delivers on every front.

Based in Santa Margherita Ligure, M/Y Veles is the perfect platform for exploring the Italian Riviera, Portofino, and beyond, providing guests with a first-class yachting experience. Designed to accommodate up to 12 guests for day cruising and up to 6 guests overnight, she is an ideal choice for those seeking a stylish and powerful yacht for a charter getaway.

M/Y VELES

An aerial photograph of a luxury motor yacht, the M/Y VELES, sailing on a dark blue sea. The yacht is white with a large tan-colored sunpad at the stern and a smaller one at the bow. A person is lying on the bow sunpad. The yacht has three black portholes on its side and a radar scanner on the roof. The water is dark blue with white foam from the yacht's wake.
