Having won 3 championships and combining offshore performance hull with one of the most spacious deck arrangements in its category, Olympic Ribs is proud to present OLR 30SR, the ultimate day boat and the perfect weekender to capture the spirit of luxurious adventure.

With two different deck arrangements, OLR 30SR can transform to the perfect Yacht tender with the reverse sofa option by increasing the seated passengers' capacity, while at the standard version the wet bar hosts all the necessary amenities for a unique full day onboard experience.

While at rest, the whole deck can be covered bow to stern with optional carbon poles offering full shade to all passengers.

Enjoy the OLR 30SR, a genuinely Olympic Rib, built with single piece liner and a full faired interior throughout the boat.

An aerial photograph of a boat's wake in the ocean. The water is a deep, dark blue, and the wake is a wide, turbulent trail of white foam and churning water that extends from the bottom left towards the top center. A small, dark boat is visible at the bottom left, leaving the wake. In the top left corner, there is a black circular graphic containing a white, stylized letter 'R' with a horizontal bar extending to the left.
