M/Y SIMONA

The AZIMUT LEONARDO 98 is a fusion between the thrill of an open yacht with the breeding and refinement of a mega-yacht. Strong, proud, challenging the status quo and breaking the rules, the AZIMUT 98 LEONARDO is an attitude, a frame of mind. It is a special yacht for an independent soul right in between a performance sport yacht and a flybridge yacht.

Accommodating up to 7 guests and 4 crew, the AZIMUT LEONARDO 98 reaches an impressive performance top speed of 28.5 knots, while cruising at 24 knots
