

REALE PACIFICO 32
FOR SALE

AQUA MARINE
GROUP

An Explorer for long voyages “without borders”, from the seas of northern Europe to the warm Caribbean waters. Entirely custom made, it features a sun deck with jacuzzi, large sunpad and a dining table that comfortably accommodates 14 people and in the closed area a bathroom and a pantry. The upper deck dedicates all the aft part to the owner who can thus benefit from the master suite and an external deck in respect of the strictest privacy. In the fore part there is a large space for the command area and the captain cabin. The VIP cabin and a large salon find space on the main deck, together with a large galley and an outdoor space that allows the placement of a 6.2m tender, among the largest for this category of Explorer.
