Introducing the Motor Yacht Lamborghini, the epitome of luxury and speed on the open seas. This magnificent vessel is a true masterpiece of design and engineering, combining the prestige of the Lamborghini brand with the elegance of a private yacht.

The Yacht “Tecnomar for Lamborghini 63” is not simply an exercise in style and design but she also represents the Avant-Garde of luxury speed boats.

The two engines MAN V 12 – 2000HP allow the yacht to reach the impressive speed of 60 knots, while the use of carbon fiber (a typical element of the cars of Sant’Agata Bolognese) guarantees the classification in the range of ultralight boats with a maximum weight of 24 tons for 63 feet in length.

While speed and design are at the forefront, comfort is never compromised edition. Indulge your senses in the luxurious ambiance of Italian design. Every inch of the Lamborghini Yacht reflects the attention to detail that Italy is renowned for. From the sleek lines to the premium materials, it's a masterpiece of artistry on the water.

The Yacht “Tecnomar for Lamborghini 63” is not simply an exercise in style and design but she also represents the avantguarde of luxury speed boats. Inspired by the performance of Lamborghini supersport cars, there are two innovative elements at the basis of her design concept: speed and dynamic weight.
