

FAST TOY

TECHNOMAR FOR LAMBORGHINI 63 FOR SALE

Lamborghini Performance on Water. Delivered in 2023, M/Y FAST TOY is the ultimate fusion of Lamborghini's speed and luxury yachting. Powered by twin MAN V12 - 2000HP engines, she reaches an exhilarating 60 knots, with a lightweight carbon fiber build ensuring agility at just 24 tons for 63 feet.

Designed for both performance and elegance, her sleek lines and premium Italian craftsmanship embody Lamborghini's signature style. Inspired by the brand's supersport cars, she delivers an unmatched experience where speed meets sophistication.

M/Y FAST TOY

The image shows the interior of a yacht's cockpit during sunset. Two black racing-style seats with yellow accents are in the foreground. The dashboard features a large digital display with multiple gauges and a steering wheel with a Ferrari logo. The view through the windshield shows the ocean and a colorful sky. The text "Cockpit" is in the top right, and "M/Y FAST TOY" is in the bottom right.
