

**NOMAD**  
 **YACHTS**

Taking things up a level, the Nomad 75 SUV boasts a definite highlight – the spacious owner’s stateroom, unexpectedly located on the main deck, boasting breath-taking 270-degree panoramic views out to sea. This stunning vessel ushers in a new era of on-board comfort and style, with an intelligent layout that allow guests to interact with each other seamlessly, while guaranteeing privacy and peace when required.

# NOMAD 75 SUV

As with all the range, the Nomad 75 SUV also incorporates the latest construction materials such as carbon fibre and Kevlar in the deck and fly-bridge, increasing stiffness, reducing weight and enhancing the stability of the yacht overall. It also features extensive crew quarters, making it ideal for those longer cruises. A perfect example of luxury, cutting-edge design, and technical brilliance combined.

Main Saloon

Perfectly situated in the most comfortable area possible on the main deck, the owner's stateroom boasts exquisite 180 degree panoramic views.

Owner's Stateroom

Galley

The cutting-edge design of the Nomad 75 SUV sets new standards with its fully enclosed wheelhouse and connecting sky-lounge on the upper deck.
