

ATLANTIS

FOR CHARTER

An aerial, top-down view of the M/Y ATLANTIS yacht as it moves through the dark blue ocean. The yacht is white with a prominent wooden deck. A large, light-colored rectangular sunpad is visible on the upper deck. Below it, a seating area with grey and orange cushions is visible. The cabin has large windows. The yacht is leaving a white wake behind it.

Brand new to the charter market, M/Y ATLANTIS is a 2023 Azimut 72 that embodies the very best of Italian yacht design, where cutting-edge technology meets timeless style. Measuring 22.63 metres and boasting a sleek carbon fibre superstructure, she offers an impressive combination of stability, spaciousness, and sportiness.

Her striking profile draws attention in any port, while her advanced engineering ensures a smooth and comfortable cruising experience. The Seakeeper stabilisers work both underway and at anchor, upgraded air-conditioning keeps every interior space perfectly cool, and Starlink internet ensures seamless connectivity wherever your itinerary takes you.

On deck, ATLANTIS is designed for sociable cruising and entertaining. The expansive flybridge features a lounge, dining table, grill, ice maker, fridge, and sun pads, all shaded by a retractable awning when desired.

Forward, a bow seating area with cushioned sun pads, while the aft deck offers another alfresco dining space. At the stern, a hydraulic bathing platform makes water access effortless and doubles as the perfect launch point for her large 3.9m tender and water toys.

Inside, ATLANTIS delivers comfort for up to eight guests in four ensuite cabins, including a full-beam master suite, a VIP cabin, a double cabin, and one twin. The contemporary saloon boasts panoramic windows, a Bose sound system, and high-quality finishes, with an open-plan layout that flows seamlessly into the dining area and sociable galley.

Built under the supervision of a professional captain, ATLANTIS is in impeccable condition and ready to deliver unforgettable cruising experiences, whether for family adventures, sightseeing getaways, or stylish island-hopping escapes.
